

# Advance care planning - Share your wishes

 <b>Family</b>	<p>Talk about your wishes and preferences for future health care with your family, friends and your patient advocate.</p> <p>Give them a copy of your written document.</p>
 <b>Doctor</b>	<p>Share your wishes and preferences for future health care with your primary care doctor at your annual visit, after a hospitalization and before a surgery.</p> <p>Give your doctor a copy of your written document.</p>
 <b>MyChart</b>	<p>Upload your document into your electronic health record via:</p> <p>Fax to <b>947.522.0473</b> or Submit through <b>MyChart</b> or Email to <b>cheadvancedirectivefax@corewellhealth.org</b></p>
 <b>Travel</b>	<p>Make copies of your document and keep a copy on you particularly when you travel.</p> <p>You can access your document anytime on MyChart. Included in the advance directive documents is a wallet card that you can fill out and carry on you at all times.</p>
