ONCOLOGY SERVICES

Ribbon color – Blue/Pink/Teal (tricolor)
Awareness month - September

Thyroid Cancer - Patient Resource Assistance (PRA)

The purpose of this PRA is to help cancer patients and their family locate reliable sources of cancer information, including the area of emotional support.

This list is not meant to be comprehensive, but rather to provide a quick reference of available resources at Beaumont and in the community.

Beaumont Cancer Resource Centers

The Cancer Resource Centers provide patients and their family education, guidance and support to help optimize their cancer treatment and survivorship. Oncology nurse navigators, lending library, brochures and resource center assistance is available.

   Rose Cancer Resource Center – Royal Oak (248) 551-1339
   Wilson Cancer Resource Center - Troy (248) 964-3430
   Grosse Pointe patients call Royal Oak (248) 551-1339

Resource Center hours: Monday through Friday from 8:00 a.m. – 4:15 p.m. Call one of our resource centers to learn about the lending libraries and support information.

Notice

This material is intended to provide general information. Some material may contain information that is the opinion of the author and not necessarily that of your physician. This material does not represent all that is available on the subject and may not apply specifically to your condition. This material should be used to formulate questions for discussion with your physician or other health care professional.
Support material

Please call the Rose or Wilson Cancer Resource Center for brochures and a list of available support material from our lending libraries. Grosse Pointe patients can request booklets from the Rose Cancer Center and most items can be mailed. The Grosse Pointe hospital has partnered with the Grosse Pointe Library for books.

The cancer-fighting kitchen (2017)

Support

**Beaumont Health System Support/Resources**

Cancer Resource Centers
https://www.beaumont.org/services/oncology/centers-clinics-and-locations/cancer-resource-centers
Rose Cancer Center 248-551-1339
Wilson Cancer Center 248-964-3430

Medical Oncology Social Work
https://www.beaumont.org/services/oncology/classes-support-resources/counseling-social-work
Royal Oak 248-551-5255
Troy 248-964-3430
Social workers help patients, family and friends find support to manage the day-to-day challenges of living with cancer.
Nutrition for the Cancer Patient
Royal Oak 248-551-1325
Troy 248-964-3430
Grosse Pointe 313-473-2097
As part of its community service to patients, Beaumont Cancer Institute offers individualized nutrition counseling. A dietitian is available to assist patients in optimizing their health through diet therapy.

Look Good…Feel Better (for women only) Pre-registration required
http://lookgoodfeelbetter.org/programs/women/
Royal Oak 248-551-1339
Second Monday of the month 4:30-6:30 pm
Troy 248-964-3430
Second Monday of the month 10-12 noon
Grosse Pointe
Call 313-473-2097 for dates and times
This program provides information and cosmetic advice to women battling cancer. The training includes hands-on instruction on makeup, skin care, and suggestions for using wigs, turbans, and scarves.

Integrative Medicine
https://www.beaumont.org/services/integrative-medicine
248-964-9200
Programs are offered by highly skilled & specially trained practitioners who understand the unique needs of patients. Services are safe & do not interfere with medical treatment.

Spiritual Care
http://www.beaumont.edu/centers-services/spiritual-care-pastoral-care/
Beaumont chaplains are professionally trained to provide spiritual and emotional care to patients and families who are dealing with a stressful situation.

Clinical Trials
https://www.beaumont.org/clinical-trials
248-551-7835
Since 1999, the Cancer Clinical Trials Office (CCTO) at Beaumont Hospitals has offered personalized service to those seeking care through clinical trials.
Cancer Genetics
https://www.beaumont.org/services/oncology/genetics-programs
248-551-3388
The program’s goal is to provide patients with the most up-to-date guidelines for cancer screening and treatment. It is important to identify families with a hereditary susceptibility to cancer because in many cases, they may take steps to reduce their risk or prevent cancer from occurring.

Beaumont Center for Mindfulness
https://www.beaumont.org/services/center-for-mindfulness
947-522-1674
Mindfulness is the awareness that arises from paying attention, on purpose, in the present moment and non-judgmentally. Mindfulness training has been shown to positively impact overall well-being, mental health and physical health. Additional information on the website or call the office.

Physical Therapy and Occupational Therapy
https://www.beaumont.org/services/rehabilitation
Royal Oak 248-655-5695
Troy 248-964-0700
Grosse Pointe 586-447-4070
Rehabilitation services’ physical therapists and occupational therapists are cancer specialists who help to prevent and treat issues related to cancer, including weakness, fatigue and pain, lymphedema swelling and returning to daily activities in a safe, healthy manner. Therapists will also work with you to gain fitness and return to your preferred recreational activities.

Survivorship Program
https://www.beaumont.org/services/oncology/classes-support-resources/survivorship-program
Royal Oak 248-551-1339
Troy 248-964-3430
Grosse Pointe 586-447-4070
The Cancer Survivorship Program brings together patients and health care providers to promote optimized health and healing of the mind, body and spirit, through integrative practices and education before, during and after treatment.
Other Support Resources
