

Children’s Miracle Network Grant Awards

Autumn 2023

Donations from corporate partners, the Southeast Michigan community, and Corewell Health East employees made it possible to award \$2 million to support more than 50 pediatric programs throughout the Corewell Health East system in September, 2023.

Initiatives are identified by Corewell Health East pediatric nurses, physicians, and clinical leaders as they work every day to enhance and deliver compassionate, exceptional care to our patients.
