

**Children's Miracle Network Grant Awards  
Spring/Summer 2021**

Donations from corporate partners, the community and Beaumont employees made it possible to award \$1 million to support more than 60 pediatric programs throughout the Beaumont Health system in March 2021.

Initiatives are identified by Beaumont pediatric nurses, physicians and clinical leaders as they work everyday to enhance and deliver compassionate, exceptional care to patients.

**Children's Miracle Network Grants positively impact more than 200,000 children annually.**
