

### Patients in COVID-19 Isolation treated in a Beaumont Hospital

**COVID-19 Isolation** = Patients who are in COVID-19 isolation. This includes those who either have a recent positive COVID-19 lab test (positive), or are awaiting COVID-19 lab test results (pending), or have negative test but have COVID symptoms (not positive / not pending)

**Positive** = Patients in COVID-19 isolation and have a recent positive COVID-19 lab test

**Pending** = Patients in COVID-19 isolation and awaiting COVID-19 lab results

**Not Positive / Not Pending** = Patients in COVID-19 isolation with a negative lab test, but have COVID symptoms and require isolation, per clinical teams
