

Beaumont Hospital, Trenton

HEART & VASCULAR SERVICES

No matter where they see a Beaumont doctor or which of our convenient locations they choose for prescribed testing, our heart and vascular patients have access to some of the most advanced treatments, even for the most complex heart conditions.

Beaumont Health is Southeast Michigan's most preferred heart care provider. Our specialists work with you, your patients and their families to develop the best possible treatment plan and get patients back to doing what they love as quickly as possible.
