

FOR PATIENTS

8x8 VIDEO MEETING INSTRUCTIONS

These instructions are intended for patients to follow in order to gain access to 8x8 Video Meetings so that they can communicate with family while in the hospital.

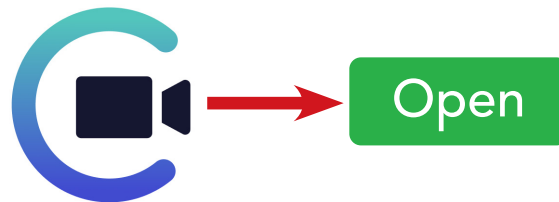

You must have a smartphone, either an iPhone or Android, and also access to add apps.

DOWNLOAD 8x8 VIDEO MEETING APP

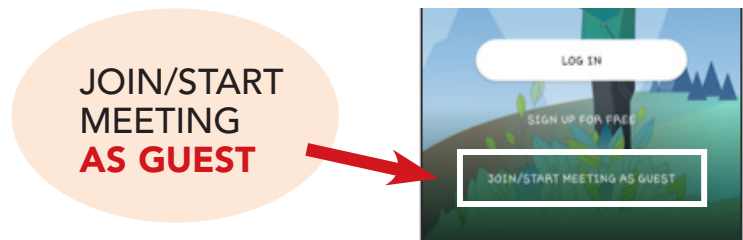

1. Start in your App store.

1. **Select and install 8x8 Video Meeting** from your iOS App or Play Store. Once installed, open the App.

2. To start the meeting, tap **Join/Start Meeting as Guest**. (You do not need to 'sign up for free' and can join meeting as a GUEST)

3. **Create a name for your meeting and TAP** 

You will be sharing this name with family joining the video meeting.

Important Note: For security, the Meeting Name must be a unique name, such as a phone number without special characters, or a name plus number (i.e., ABjfxxxx).

4. **TAP** 

5. Inform family member(s) of the **MEETING NAME** to be able to have them join the video meeting.

 **Important:** When your video meeting is done be sure to tap the red phone button to hang up. Depending on your service and provider, message and data rates may apply.
