Beaumont, Dearborn (formerly Oakwood Hospital - Dearborn) has proudly served residents across southeastern Michigan since 1953. With 632 beds, Beaumont, Dearborn is a major teaching and research hospital and home to three medical residency programs in partnership with the Wayne State University School of Medicine. Beaumont, Dearborn is verified as a Level II trauma center and has been accredited by the Joint Commission as a primary stroke center. The hospital is also known for clinical excellence and innovation in the fields of orthopedics, neurosciences, women’s health, heart and vascular and cancer care.

Specialty Services

Emergency and Trauma Services – a verified Level II Trauma Center ensures advanced life-saving procedures are readily available 24/7 for patients with traumatic injuries. An 89-bed full-service emergency center provides rapid assessment and emergency care with response times below the national average for those requiring a heart or stroke intervention.

Birthing Center and Obstetrical Services – Beaumont, Dearborn offers a specialized level 3 Neonatal Intensive Care unit, Maternal Fetal Medicine with imaging and private birthing suites for labor, delivery and recovery for mothers and their babies. The Family Birth Center also offers a dedicated postpartum unit and high-risk antepartum care.

Heart and Vascular – medical, surgical and non-surgical approaches with cardiologists, interventional cardiologists, interventional radiologists, interventional neurologists, electrophysiologists, vascular surgeons and cardiothoracic surgeons. Cardiac care includes elective and 24-hour emergency angioplasty procedures; lab and non-invasive transcatheter aortic valve replacement (TAVR); cardiac rehabilitation services; a device clinic for cardiac pacemakers and other medical equipment.

Imaging Services – offers a variety of diagnostic x-ray services; ultrasound; 128-slice CT scans; nuclear medicine; PET/CT; 3T Magnetic Resonance Imaging and interventional radiology.

Infusion and Dialysis Services – routine outpatient infusion services for cancer, rheumatoid arthritis, Crohn’s disease, multiple sclerosis and other diagnoses. The center also offers environmentally friendly, in-center dialysis and hemodialysis treatments.

Orthopedics – A designated orthopedic and joint specialty center with a full range of specialized care including orthopedic surgery for total/partial replacement of hip and knee, shoulder; minimally invasive procedures to reduce pain and speed recovery; reconstructive surgery; complete spinal care; pain management techniques; non-operative orthopedic care; and inpatient physical and occupational therapy.

Neurosciences – specialized care including movement disorders and neuromodulation; neurology; neurosurgery; elective and emergent neuro-endovascular services; rheumatology; pain management; spine care; sports medicine; speech therapy; occupational therapy; physical therapy. A Joint Commission Accredited Primary Stroke Center offers routine and emergency care for inpatients and outpatients.

Surgical Services – offering a wide range of general and specialty surgical services including minimally invasive surgery and robotic surgery within computer-integrated operating suites.

Women’s Health – features a Breast Care Center with 3D breast tomosynthesis, computer-aided digital mammography, whole breast ultrasound and a breast care nurse navigator. A comprehensive range of gynecologic services, including highly skilled surgeons performing minimally invasive procedures.

Bariatric Services – a dedicated unit, clinicians and four private suites for bariatric surgery patients. Minimally invasive approaches modify the gastrointestinal tract to help patients with long-term weight loss with improved quality of health. The program includes licensed

Services range from heart health screenings, diabetes management, healthy cooking and meal preparation for adults and children and healthy communities programs.

Child and Adolescent Health Centers provide expanded access to primary health care, education and mental health services..

About Beaumont Health
Beaumont Health is Michigan’s largest health care system, based on inpatient admissions and net patient revenue. A not-for-profit organization, it was formed in 2014 by Beaumont Health System, Botsford Health Care and Oakwood Healthcare to provide patients with the benefit of greater access to extraordinary, compassionate care, no matter where they live in Southeast Michigan. Beaumont Health has total net revenue of $4.4 billion and consists of eight hospitals with 3,429 beds, 174 outpatient sites, nearly 5,000 physicians and 38,000 employees and 3,500 volunteers. In 2016, Beaumont Health had 177,508 inpatient discharges, 17,536 births and 567,658 emergency visits. For more information, visit beaumont.org.
