SPECIALTY SERVICES

Emergency and Trauma Services – An 89-bed full-service emergency center provides rapid assessment and emergency care with response times below the national average for those requiring a heart or stroke intervention.

Birthing Center and Obstetrical Services – Including a level 3 Neonatal Intensive Care unit, Maternal Fetal Medicine with imaging and private birthing suites for labor, delivery and recovery for mothers and their babies. The Family Birth Center offers a dedicated postpartum unit and high-risk antepartum care.

Heart and Vascular – medical, surgical and non-surgical approaches with cardiologists, interventional cardiologists, interventional radiologists, interventional neurologists, electrophysiologists, vascular surgeons and cardiothoracic surgeons. Cardiac care includes elective and 24-hour emergency angioplasty procedures; lab and non-invasive transcatheter aortic valve replacement and Watchman; cardiac rehabilitation services; a device clinic for cardiac pacemakers and other medical equipment.

Imaging Services – offers a variety of diagnostic X-ray services; ultrasound; 128-slice CT scans; nuclear medicine; PET/CT; 3T Magnetic Resonance Imaging and interventional radiology.

Orthopedics – a designated orthopedic and joint specialty center with a full range of specialized care including orthopedic surgery for total/partial replacement of hip and knee, shoulder; minimally invasive procedures to reduce pain and speed recovery; reconstructive surgery; complete spinal care; pain management techniques; non-operative orthopedic care; and inpatient physical and occupational therapy.

Neurosciences – specialized care including movement disorders and neuromodulation; neurology; neurosurgery; elective and emergent neuro-endovascular services; rheumatology; pain management; spine care; sports medicine; speech therapy; occupational therapy; physical therapy. A Joint Commission Accredited Primary Stroke Center offers routine and emergency care for inpatients and outpatients.

Surgical Services – offering a wide range of general and specialty surgical services including minimally invasive surgery and robotic surgery within computer-integrated operating suites.

Women's Health – features a Breast Care Center with 3D breast tomosynthesis, computer-aided digital mammography, whole breast ultrasound and a breast care nurse navigator. A comprehensive range of gynecologic services, including minimally invasive surgical procedures.

Bariatric Services – minimally invasive approaches modify the gastrointestinal tract to help patients with long-term weight loss and improved health.

Center for Cancer Care – accredited by the American College of Surgeons, the center offers a full continuum of cancer care services, ranging from prevention, early detection and screening to comprehensive treatment of local or advanced malignancies.

DISTINCTIONS (certifications, accreditations)

- Accredited by The Joint Commission as a Primary Stroke Center.
- Accredited by the American College of Surgeons Commission on Cancer.
- Received coveted Gold Seal of Approval from The Joint Commission for Total Joint Replacement.
- Five-time winner of the prestigious Medal of Honor for organ donation granted by the U.S. Department of Health and Human Services.
- Metabolic and Bariatric Surgery Accreditation and Quality Improvement Program designation by both The American College of Surgeons and the American Society for Metabolic and Bariatric Surgery.

AWARDS AND RANKINGS

- Ranked No. 10 in metro Detroit and No. 16 in Michigan by U.S. News and World Report in 2018-19. Also, regionally ranked as "high performing" for colon cancer surgery, chronic obstructive pulmonary disease, and heart failure.

COMMUNITY INVOLVEMENT

Beaumont Health's community health programming ranges from heart health screenings, diabetes management, healthy cooking and meal preparation for adults and children.

Child and Adolescent Health Centers provide expanded access to primary health care, education and mental health services.
