About Beaumont Health
Beaumont Health is Michigan’s largest health care system, based on inpatient admissions and net patient revenue. A not-for-profit organization, it was formed in 2014 by Beaumont Health System, Botsford Health Care and Oakwood Healthcare to provide patients with the benefit of greater access to extraordinary, compassionate care, no matter where they live in Southeast Michigan. Beaumont Health has total net revenue of $4.4 billion and consists of eight hospitals with 3,429 beds, 174 outpatient sites, nearly 5,000 physicians, 38,000 employees and 3,500 volunteers. In 2016, Beaumont Health had 177,508 inpatient discharges, 17,536 births and 567,658 emergency visits. For more information, visit beaumont.org.
