SPECIALTY SERVICES

Orthopedics – A comprehensive orthopedic center offering a full spectrum of diagnostic, non-operative and operative orthopedic care, including after-hours orthopedic care, pain management, physical medicine and rehabilitation, inpatient and outpatient physical/occupational therapy, full spinal care, total/partial joint replacement, hand surgery and surgical options for sports injuries. Beaumont, Taylor is the largest MAKO Robotic Arm Assisted Robot for joint replacement surgery program in Michigan.

Rehabilitation Services – 49-bed, comprehensive inpatient rehabilitation facility offering care to address medical, physical, emotional and vocational challenges of people with brain injury, spinal cord injury, stroke, amputation, neurological disorders, orthopedic conditions and multiple trauma as well as outpatient rehabilitation therapy services in Taylor, Dearborn and surrounding communities.

Sports Medicine – athletic training services for schools, athletes and active people for the care of injuries and conditions that can limit activity levels.

Imaging Services – offers advanced CT scans and MRI; ultrasound; a variety of diagnostic X-rays and nuclear medicine studies.

Surgical Services – offers general and specialty procedures; minimally invasive treatments; advanced computer-integrated operating suites for robotic and laparoscopic procedures.

The Richard Kughn Medical Education Headquarters supports Beaumont Orthopedic Surgery and Physical Medicine and Rehabilitation residency training programs with an advanced medical library, video and web-linked classrooms, on-call rooms and faculty offices.

Neuroscience – offers treatment for neurological conditions of the brain and spine, including stroke, epilepsy, Parkinson’s and Alzheimer’s disease.

Wound Treatment Center – offers advanced wound care procedures and treatments, while providing hyperbaric oxygen to enhance the healing of chronic conditions and non-healing wounds.

DISTINCTIONS (certifications, accreditations, etc.)

- Accredited with The Joint Commission Gold Seal of Approval for Total Joint Replacement.
- ANCC Magnet designation for nursing excellence.
- An “A” rating from Leapfrog Hospital Patient Safety (2017).
- Two Michigan Health & Hospital Association “Speak Up” awards for patient safety efforts.
