

# Beaumont Hospital, Trenton

## Facts and figures

Beaumont Hospital, Trenton (formerly Oakwood Hospital – Southshore) is a 193-bed acute care teaching hospital that sponsors nine university-affiliated residency programs. The hospital opened its doors to Trenton and its surrounding communities in 1961. It became part of Beaumont Health in September 2014.

In addition to providing comprehensive medical and surgical care for its patients, the hospital offers all private beds, a medical and surgical intensive care unit, and obstetrical care.

### Specialty Services

**Emergency and Trauma Services** – two-minute “door-to-evaluation” and a “door-to-balloon” time of less than 56 minutes for those requiring a heart intervention, which is well below the national average.

Beaumont Trenton is the only verified Level II Trauma Center serving the downriver community. This important distinction means that advanced life-saving procedures are readily available 24/7 for patients with traumatic injuries.

**Heart and Vascular Services** – emergent and elective angioplasty, stress testing, EKG, echocardiography event recorders, tilt table testing and EEG studies. Cardiac rehabilitation services are offered for those with heart conditions or who have experienced a cardiac event or procedure.

**Surgical Services** – offering a wide range of general and specialty surgical services, including minimally invasive surgery, robotic surgery using a daVinci Xi robot and an Outpatient Surgery Center.

**Orthopedics and Neurosciences** – specialized care including neurosurgery and stroke care, orthopedic surgery, speech therapy, occupational therapy and physical therapy.

**Imaging Services** – advanced CT and MRI; ultrasound; a variety of diagnostic X-rays, nuclear medicine studies and interventional radiology.

**Women’s Health Services – The Karen Colina Wilson Smithbauer Breast Care Center** provides screening and diagnostic digital mammography (3D breast tomosynthesis), breast ultrasound, automated whole

## Facts and figures

### Community Involvement

**Healthy Communities** – a multi-year initiative that integrates and coordinates primary care, public health and community interventions to improve population health and reduce health care costs.

**Heart Health and Diabetes Screening** – consists of blood pressure, cholesterol, glucose screening and risk factor counseling

**Diabetes Personal Action Toward Health (PATH)** – a national, six-week program in partnership with the National Kidney Foundation of Michigan providing skills and tools to enhance a participant's ability to manage type 2 diabetes and work more effectively with health care providers, reducing symptoms and doctor visits.

**Cooking Matters** – a national program in partnership with Gleaners Community Food Bank of Southeastern Michigan. The six-week program teaches people how to shop for and prepare healthy, affordable meals. A special version of the program is also available for those with diabetes or pre-diabetes.

**Diabetes Prevention Program** – a national program in partnership with the Centers for Disease Control supporting healthy lifestyle changes for adults with pre-diabetes and those at risk for developing type 2 diabetes. Delivered by trained lifestyle coaches over the course of a year, participants work together towards losing body weight and increasing their physical activity to reduce their risk for developing type 2 diabetes.

**CATCH Kids Club** – a national after-school and recreational program for elementary school-aged children. CATCH programs provide a learning and social environment to support physical activity and healthy eating as lifelong habits to maintain a healthy weight.

**Child and Adolescent Health Centers** – provide expanded access to primary health care, mental health services and health education for children and teens in underserved communities.

### About Beaumont Health

Beaumont Health is Michigan's largest health care system, based on inpatient admissions and net patient revenue. A not-for-profit organization, it was formed in 2014 by Beaumont Health System, Botsford Health Care and Oakwood Healthcare to provide patients with the benefit of greater access to extraordinary, compassionate care, no matter where they live in Southeast Michigan. Beaumont Health has total net revenue of \$4.4 billion and consists of eight hospitals with 3,429 beds, 187 outpatient sites, nearly 5,000 physicians, 38,000 employees and 3,500 volunteers. In 2017, Beaumont Health had 175,688 inpatient discharges, 17,789 births and 574,591 emergency visits. For more information, visit [beaumont.org](http://beaumont.org).
