

ABOUT BEAUMONT, TRENTON

Compassionate, extraordinary care every day

Beaumont, Trenton is a 193-bed acute care teaching hospital that sponsors nine university-affiliated residency programs. The hospital opened its doors to Trenton and its surrounding communities in 1961. It became part of Beaumont Health in September 2014. In addition to providing comprehensive medical and surgical care for its patients, the hospital offers all private beds, a medical and surgical intensive care unit and obstetrical care.

SPECIALTY SERVICES

Emergency and Trauma Services – the only verified Level II Trauma Center serving the downriver community. Advanced life-saving procedures are readily available 24/7 for patients with traumatic injuries.

Heart and Vascular Services – emergent and elective angioplasty, stress testing, EKG, echocardiography event recorders, tilt table testing and EEG studies. Cardiac rehabilitation services are offered for those with heart conditions or who have experienced a cardiac event or procedure.

Surgical Services – offering a wide range of general and specialty surgical services, including minimally invasive surgery, robotic surgery using a da Vinci Xi robot and an Outpatient Surgery Center.

Orthopedics and Neurosciences – specialized care including neurosurgery and stroke care, orthopedic surgery, speech therapy, occupational therapy and physical therapy.

Imaging Services – advanced CT scan and MRI; ultrasound; a variety of diagnostic X-rays, nuclear medicine studies and interventional radiology.

Women's Health Services – The Karen Colina Wilson Smithbauer Breast Care Center provides screening and diagnostic digital mammography (3D breast tomosynthesis), breast ultrasound, automated whole breast ultrasound for dense breast tissue, bone mineral density testing and stereotactic breast biopsy with a dedicated breast surgeon. Other women's services include obstetrics and gynecological surgery.

DISTINCTIONS (certifications, accreditations)

- Accredited by The Joint Commission with a Gold Seal of Approval for Total Joint Replacement.
- 5-star rating from Centers for Medicare and Medicaid Services (2018).
- Blue Distinction Center for Hip and Knee Replacement.

AWARDS AND RANKINGS

- Recognized by U.S. News & World Report for 2021-22 as high-performing in Congestive Heart Failure, COPD, Kidney Failure, Knee Replacement and Pneumonia.
- Vizient's 2018 Bernard A. Birnbaum, M.D., Quality Leadership Award.

- Governor's Award for Excellence for Improving Care in Hospital Surgical and Emergency Department Settings and for Inpatient Clinical Achievement.
- One of four recipients of the Truven Health Advantage Award in the category of Health and Clinical Outcomes.

COMMUNITY INVOLVEMENT

Healthy Communities – a multi-year initiative that integrates and coordinates primary care, public health and community interventions to improve population health and reduce health care costs.

Heart Health and Diabetes Screening – blood pressure, cholesterol, glucose screening and risk factor counseling.

Diabetes Personal Action Toward Health (PATH) – a national, six-week program in partnership with the National Kidney Foundation of Michigan providing skills and tools to enhance a participant's ability to manage Type 2 diabetes and work more effectively with health care providers.

Cooking Matters – a national program in partnership with Gleaners Community Food Bank of Southeastern Michigan, teaching people how to shop for and prepare healthy, affordable meals.

Diabetes Prevention Program – a national program in partnership with the Centers for Disease Control supporting healthy lifestyle changes for adults with prediabetes and those at risk for developing Type 2 diabetes.

Beaumont Gets Walking – offers a variety of opportunities to improve health through walking, including, toolkits to support self-directed neighborhood walking groups and a mobile app that rewards users for meeting walking goals.

Child and Adolescent Health Centers – provide expanded access to primary health care, mental health services and health education for children and teens in underserved communities.
