

ABOUT BEAUMONT, TROY

Compassionate, extraordinary care every day

In response to the health care needs of a growing community, in 1977, Beaumont opened a new 189-bed hospital on rural farmland in Troy. Today, Beaumont, Troy has grown to 520 licensed beds and offers a comprehensive array of health care services, continuing to develop to meet the needs of the growing communities it serves.

SPECIALTY SERVICES

Orthopedics – Each year, more than 1,700 spine, 1,200 knee and 900 hip surgeries are performed. This unit is focused on the care and recovery of joint and spine patients, including post-operative care following knee or hip replacements and spine surgery.

STTAR clinic/ERAS program – Each year, almost 1,900 patients come to the STTAR clinic. This unit is designed to improve patient readiness, patient satisfaction and patient outcomes after surgery.

Oncology Services – A dedicated cancer care unit with 44 private rooms provides oncology, hematology and end-of-life care. A leader in diagnosis and accelerated treatment of breast and prostate cancer, the outpatient Radiation Oncology department is equipped with advanced radiation therapy technology.

Inpatient Rehabilitation Unit – Offering a complete range of rehabilitation services in a 20,000-square-foot, state-of-the-art setting. Conditions commonly treated include traumatic injuries, stroke, spinal disorders and brain disorders.

Women's and Children's Services – The Family Birth Center includes high-risk antepartum care, private rooms and a natural birthing suite. After delivery, the Mother Baby unit provides a homelike environment for mothers, their babies and family to spend time together.

Frances & Dominic Mocerri Learning Center – The 20,000-square-foot Mocerri Learning Center includes a simulation laboratory with four high-fidelity patient simulators, a clinical skills lab, a computer lab, two Maibach Family classrooms and the 174-seat Farhat N. & Mohammad A. Qazi Family Auditorium.

DISTINCTIONS (certifications, accreditations, etc.)

- ANCC Magnet designation for nursing excellence.
- Nationally-accredited Program for Breast Centers.
- Joint Commission Primary Stroke Center certification.
- Michigan's first Diagnostic Imaging Center of Excellence (American College of Radiology).
- Beaumont Vein Center in Sterling Heights, Michigan's only center accredited by the Intersocietal Accreditation Commission for both diagnosis and treatment.
- Bariatrics accredited by the American College of Surgeons (ACS).
- Level II Trauma Center – ACS Verification.
- One of only 15 cancer programs in the U.S. to receive the Commission on Cancer Outstanding Achievement Award.

AWARDS AND RANKINGS

- 2018-19 U.S. News and World Report – Earned national recognition for ear, nose and throat, and pulmonology. Additionally, Troy ranked No. 3 statewide and No. 3 in Metro Detroit, and received "high performing" national ratings for common adult procedures and conditions.
- 2018 American Heart and American Stroke Associations have honored Troy with the "Get with the Guidelines-Stroke GOLD Award" for stroke treatment excellence.
- 2018 Guardian of Excellence Award by Press Ganey for inpatient rehabilitation.
- Best Interventional Cardiology (Cardiac Cath Lab) program in Michigan by BMC2.
- 2019 ranked among "America's Best Hospitals" by Healthgrades.

COMMUNITY INVOLVEMENT

Living Well events – These free events for the community cover topics such as achieving and maintaining a healthy weight, lifestyle, heart and mind, as well as preventing and managing diabetes.

Project SEARCH Program – This program assists students with special needs on the path to a career after high school. It combines classroom instruction, career exploration and hands-on training through worksite rotations. Several Project SEARCH students are employed at Beaumont, Troy.

Palliative Care Forums – These forums explore the relationships health care providers have with their patients nearing the end of life and the challenges they face in caring for these individuals.
