

Shumica e shërbimeve nga mjekët në ambientet e Beaumont Health mbulohen nga Politika për Asistencën Financiare e Beaumont Health (FAP).

Mjekët që punojnë në secilin kompleks të cilët nuk mbulohen nga FAP janë treguar në listën e bashkëngjitur të ofruesve me emrin dhe spitalin ku punojnë.

Lista e mjekëve që nuk pranojnë politikën e asistencës financiare të Beaumont Health është e disponueshme në beaumont.org/financial-assistance. Kopjet në letër mund të merren me kërkesë duke telefonuar qendrën e kujdesit ndaj klientit ose duke kërkuar një këshilltar financiar në Beaumont.

Kjo listë është e efektshme nga korriku 2017 dhe përditësohet çdo tre muaj. Nëse nuk shikoni një mjek të renditur këtu dhe doni të verifikoni nëse personi është i mbuluar aktualisht nga Beaumont FAP, ju lutem telefononi qendrën e kujdesit ndaj klientit në 248-577-9205.
