

La maggior parte dei servizi forniti dai dottori presso le sedi di Beaumont Health sono coperti dalla [Beaumont Health Financial Assistance Policy](#) (FAP, politica di assistenza finanziaria Beaumont Health).

I dottori che operano in ciascuna sede non coperti dalla FAP sono indicati nell'elenco allegato per nome e per sede ospedaliera in cui svolgono la loro attività.

L'elenco dei dottori che sottoscrivono e non sottoscrivono la politica di assistenza finanziaria Beaumont Health è disponibile online sul sito beaumont.org/financial-assistance. Copie cartacee sono disponibili su richiesta contattando il nostro centro di assistenza clienti o rivolgendosi a un consulente finanziario Beaumont.

L'elenco è in vigore a partire da luglio 2017 e viene aggiornato trimestralmente. Se non è presente un dottore e si vuole verificare se al momento è coperto dal FAP Beaumont, contattare il nostro centro di assistenza clienti al numero 248-577-9205.
