

Beaumont Health Foundation

Description of Funds

For information on other funds, please contact John O'Rourke at the Beaumont Health Foundation office, 313.586.5342.

CLINICAL PROGRAMS AND SERVICES

766696 Beaumont Children's

Funds will provide for the unmet needs of Beaumont Children's, supporting its mission of excellence in patient care, service, education, and the advancement of the discipline of pediatrics. Funds will be used throughout Beaumont Children's at Beaumont, Grosse Pointe, Beaumont, Royal Oak, and Beaumont, Troy.

781093 Center for Exceptional Families (formerly 545)

The Center for Exceptional Families was created in an effort to meet the distinct medical and therapeutic needs of children with special needs or life threatening injuries as well as to provide educations, recreational and social support. With a family centered approach, the Center works with moms, dads, siblings, teachers and other individuals who play a key role in a child's life to ensure that they have the resources they need to help the children reach their potential. Unique in scope and approach to care, the Center is one of only a few places in the country where children and families have access to the best in class programs, educational, social and recreational support, a multidisciplinary medical team and comprehensive, compassionate care – all under one roof.

768312 Center for Human Development

Your gift may provide special needs such as tutoring for dyslexic children and other learning disabilities, help defray the cost of evaluations, purchase educational supplies, and provide patient resources for children with development disorders such as autism, emotional problems, and learning disorders.

766627 Children's Miracle Network

Beaumont Children's is the only Children's Miracle Network Hospital in Southeast Michigan. One-hundred percent of your contribution stays at Beaumont to fund leading-edge technology, life-saving pediatric programs, and special services for our youngest patients. Twice per year, a committee of Beaumont Children's leaders review grant requests from across the system and award funding based on need and available funds.

781082 Children's Outreach Programs (formerly 206)

Children's outreach programs include back to school programs for backpacks and school supplies at some of our clinics. Funds also support staff education and equipment.

766304 Children's Speech Treatment Scholarships

Gifts support treatment costs for children whose families are unable to afford outpatient speech pathology services.

766727 Digestive Health

Contributions support vital patient care programs for children and adults with inflammatory bowel diseases.

766677 Heart (Cardiology)

Gifts support the unmet needs of the Heart and Vascular Center of Excellence, such as patient and staff education programs, equipment needs, and research to advance cardiac care and services.

781070 Heart & Vascular (formerly 202)

This initiative supports expansion of Heart & Vascular programs and services offered at your site and throughout the system. It includes education opportunities for nurses, physicians and clinical staff, cardiac rehabilitation programs for faster healing and recovery, prevention education focusing on lifestyle changes including diet and exercise and lifesaving medications for those unable to pay.

788023 Heart & Vascular Fund (formerly 0068)

Supports innovations, treatments and technologies needed for our heart patients.

781110 Langnas Memorial Laboratory Enrichment Fund (formerly 0020)

Supports the professional development of laboratory staff.

766151 Neuroscience

Gifts support the unmet needs of the Neuroscience Center of Excellence, such as patient and staff education programs and equipment to advance neuroscience care and services. Also may be used for Beaumont's stroke program, which includes leading-edge medical treatment, outstanding stroke rehabilitation services and stroke-prevention education programs for patients.

766601 Oncology Services Program

Gifts will help our outstanding team of physicians, oncologists and scientists continue to develop leading-edge treatment therapies and conduct important clinical trials supported by the National Cancer Institute. Funds will also support patient care programs such as the Cancer Survivorship Program, support groups, education activities and other patient needs.

768317 Orthopedics

Your gifts will support research, education, and new technology as well as other unmet needs of the Orthopedic department.

766509 Pediatric Rehabilitation Scholarship

Your gifts may support individual or group therapy costs for selected outpatient pediatric rehab (OT/PT) patients whose families are unable to afford needed services.

781138 Physical Medicine & Rehabilitation (formerly 464)

Your support will allow for growth and expansion of a specialized inpatient rehabilitation facility and outpatient services, new and expanded programs and services for patient with traumatic brain injuries, orthopedic conditions and musculoskeletal disorders and those recovering from stroke and injury, cutting edge equipment, specialized training of medical residents, nurses, clinicians, and therapists, and community support, education, outreach, wellness and fitness programs.

764200 Troy Cancer Program

Your gifts offer those who have been diagnosed with cancer individualized care focusing on exercise, nutrition and support groups through Beaumont Hospital, Troy's Cancer Survivorship Program. This fund also supports the general oncology needs at Beaumont, Troy.

766720 Women's Health – Natural Childbirth and Breastfeeding Support

Your gifts support natural childbirth and provide breastfeeding help to new mothers at your site. Women who have come to trust Beaumont for outstanding obstetrical, neonatal and pediatric care can now give birth naturally in a safe, welcoming and supportive environment surrounded by excellent physicians and specially-trained caregivers.

781161 Women's Services (formerly 204)

This initiative supports expansion of Women's programs and services offered at your site and throughout the system. It includes enhancements to our comprehensive regional breast care program with cutting edge equipment, facilities and technology, personalized service through Nurse Navigation to support women on the journey from diagnosis to treatment to recovery. Other areas for support are new programs and services that meets the needs of women in their 40's, 50's, and beyond including genetic counseling, menopause, mental health, heart health and osteoporosis as well as scholarship and certification for physicians, nurses and clinical staff.

PATIENT SUPPORT PROGRAMS

781066 Cancer Center Patient Care Fund (formerly 0031)

Assists with health-related expenses not covered by insurance or other programs.

781067 Cancer Patient Education & Support Programs (formerly 481)

Designed to facilitate communication, provide information and emotional support and to reduce the feeling of being alone after a diagnosis of cancer. Programs include patient transportation, support groups, patient education materials, and education and training for staff.

764705 Chapel Fund – Grosse Pointe

Gifts have helped refresh the 2nd floor Hospice rooms for a nicer patient environment and continue to support the unmet needs of the pastoral care program.

766635 Chapel Fund – Royal Oak

Gifts provide for the unmet needs of the spiritual care program at Beaumont Hospital, Royal Oak.

781084 Clinical Ethics (formerly 207)

“My Voice, My Choice” is an advance directive package designed to help in naming a person you trust to be your medical advocate, in case of a medical emergency. Funds provide for materials and education.

781156 Emergency/Trauma Center Patient Care Fund (formerly 0038)

Supports the unique needs of our Emergency/Trauma Center patients.

766613 Geriatrics

Gifts will support the unmet needs of the Geriatrics program, such as patient and staff continuing education programs, equipment needs, and activities to advance geriatric care and services.

766704 Imaging Services

Gifts support the unmet needs of the Imaging program, including continuing educational initiatives for department employees. Many of the initiatives provided through this fund have no other source of funding – charitable philanthropic dollars are vital.

766660 Integrative Medicine

Gifts provide general program support and financial assistance for many vital services not covered by insurance, including clinical massage therapy, energy balancing with Reiki, guided imagery, medical acupuncture, scar therapy, gentle yoga, meditation, and naturopathy for management and stress relief. Cancer patients have described the services as “a little piece of paradise during an unpleasant time.”

764207 Mocer Learning Center Fund

Equipment, supplies, education and any other needs of the Center.

766701 Parenting Program

Contributions help provide support and education for new parents, which helps families begin on a positive note with a strong parenting base, ultimately helping contribute to a healthier community. The Parenting program focuses on prevention strategies that are designed to strengthen the capacity of parents to care for their children’s health and well-being. Since inception, this program has made a difference for more than 100,000 families. Specialty groups such as single moms, young moms, and multiple births receive dedicated support for their situation as well.

766505 Patient Resource Fund

Your gifts are targeted to assist qualified patients in obtaining healthcare needs such as to have prescriptions filled for medications to aid in their recovery from an inpatient hospitalization or a medical condition or surgery. Staff screens patients for eligibility, which can be lack of insurance coverage, prohibitive co-pays or limited financial resources. These assistance funds are also available at the discretion of staff to cover other needs such as durable medical equipment, home health care services, IV antibiotics to be administered in a home setting, transportation, medical supplies and other types of care that the patient may not be able to access on their own.

788026 Patient Care Fund (formerly 0057)

Offers services and items to keep our patients healthier and more comfortable.

767301 Petrovich SRNA Scholarships/Education Fund

Scholarship awards and educational initiatives of the program supporting annual scholarships for qualified candidates who meet certain criteria.

781152 Spiritual Support Services (formerly 490)

Spiritual Support Services ensures the emotional and spiritual needs of our patients are met. They offer support and comfort aligned with the patient's personal faith experience. The program supports the spiritual needs of our patients, families and staff, as well as communication education and outreach on the issues of grief, loss and end of life decision making. Funds provide for patient education and support materials.

766745 Therapeutic Music Program

To provide a therapeutic music program to all eight hospitals to include live therapeutic music for patients, families and employees that integrates with the BH strategic imperatives including patient and family-centered care and best-in-class quality, safety, service, and financial performance.

766631 Weight Control Center

Studies show that people who are most successful at losing weight – and keeping it off – rely on a team of professionals who offer medically supervised weight loss solutions and help. The multidisciplinary experts continue to provide patients with personalized weight loss solutions, helping them feel better and gain positive attitudes about eating and exercise. Funds provide for program development and unmet needs of the Weight Control Center.

EMPLOYEE SUPPORT PROGRAMS

765001 BH Employee Assistance (system-wide)

This initiative is established to lend a helping hand to employees in their time of greatest need as the result of a personal crisis or catastrophic event. Since its inception, the fund has helped numerous employees through both personal and financial crisis situations. Your gift can be used to help employees at your site.

765002 BH Employee Education (system-wide)

This fund is established to provide continuing education assistance to Beaumont Health employees. While our community donors have created numerous scholarship endowments, this annual fund is truly employees helping employees. These funds help Beaumont to enhance recruitment, provide retention and create career advancement opportunities for employees.

781098 Employee Scholarships and Education (formerly 591)

This fund was established to provide continuing education and college degree completion assistance to our employees. While our community donors have created numerous scholarship endowments, this annual fund is truly employees helping employees. These funds help enhance recruitment, provide retention and create career advancement opportunities for employees.

781099 BWell – Your Employee Wellness Program (formerly 814)

Designate a gift that creates conditions for employee well-being and a healthy culture at work. Implements innovative employee wellness initiatives and programs throughout the year.

781159 Beaumont Wellness Center, Dearborn (formerly 820)

Your employee wellbeing destination. Operated in partnership with Bwell, your employee wellness program, and the YMCA of Metro Detroit. The Wellness Center features cardio & strength equipment, an indoor track, and over 20 dynamic exercise classes that help you get and stay healthy. Funds support continued enhancements of facility and operational needs.

NURSING EDUCATION/NURSE GIVING

788034 Nurse Giving/Nursing Education - GP

The nursing continuing education funds are created to support the traditions and causes important to nursing professionals. Contributions are designated for continuing education/nursing scholarships for our valued caregivers and are disbursed at the direction of site nursing leadership.

767314 Nurse Giving/Nursing Education - RO

The nursing continuing education funds are created to support the traditions and causes important to nursing professionals. Contributions are designated for continuing education/nursing scholarships for our valued caregivers and are disbursed at the direction of site nursing leadership (*includes memorial gifts for Diane Rocher*).

764400 Nurse Giving/Nursing Education - TR

The nursing continuing education funds are created to support the traditions and causes important to nursing professionals. Contributions are designated for continuing education/nursing scholarships for our valued caregivers and are disbursed at the direction of site nursing leadership.

788039 Nurse Giving/Nursing Education - BHHS

The nursing continuing education funds are created to support the traditions and causes important to nursing professionals. Contributions are designated for continuing education/nursing scholarships for our valued caregivers and are disbursed at the direction of site nursing leadership.

788025 Nursing Education Fund, Farmington Hills (formerly 0058)

Supports educational opportunities for our nursing staff.

781118 Nurse Giving Society Fund – South Region (formerly 587)

The Nurse Giving Society was created to support the traditions and causes important to nursing professionals. Contributions are designated for continuing education/nursing scholarships for our valued caregivers and are disbursed at the direction of site nursing leadership.

HEALTHY COMMUNITIES

781154 Adolescent/Teen Health Centers (formerly 511)

Services provided at the Teen Centers located in Taylor, Inkster, Romulus and River Rouge focus on health promotion and risk reduction, along with general medical care, counseling services, immunizations, and management of chronic illnesses for adolescents. Programs that are cornerstones to the type of outreach and care given by staff are its peer education, after school and summer programs for youth, and counseling and testing programs.

781003 Adams Adolescent Health Center (formerly A68)

Founded in 1997, the Lincoln/Jefferson-Barns Healthcare Center relocated to Adams Middle School when Lincoln and Jefferson-Barns closed due to lower enrollment. It serves surrounding schools in the Wayne-Westland District with a combined student body of over 3,500 children. The schools are located in federally designated low-income neighborhoods where children are at high risk for preventable illnesses.

781088 Community Health Needs Assessment Priority Areas (formerly 733)

Community outreach initiatives that align with the community health needs assessment. These vital programs and services benefit patients, employees and community members throughout our entire service area. Programs include healthy communities, heart health screenings, diabetes education and obesity prevention.

788020 Community Health Education & Screenings Fund (formerly 0059)

Addresses Community Health Needs Assessment findings through programs and services for obesity, mental health, disease prevention, and access to care as well as free and low-cost student heart checks and stroke and cancer screenings.

766721 *Ingber Africa/International Trip*

Your gifts will help to change and improve the lives of numerous people in Africa or other impoverished destinations. Each year, Drs. Peters and Sirls and their team have taken life-changing medical treatment to the men, women and children of Africa, while facilitating an invaluable learning experience for Beaumont urology residents.

766674 *Minority Outreach Program*

Gifts help Beaumont's Oncology Services host educational forums in targeted minority and underserved communities that include information about screening, prevention and treatment of breast, prostate, colorectal, and lung cancers. In addition, mammograms and other cancer screening tests are provided, raising prevention awareness to save lives. This past year, the program also included prescreening, education and prevention events on diabetes, weight loss, smoking cessation, and behavioral health. Participants are given resources and assistance to seek further medical care.

766709 *NoBLE Anti-bullying Program*

Your gifts to NoBLE (No Bullying Live Empowered) provide community outreach programs and support to children, families, and schools surrounding bullying related incidences. NoBLE is also focused on engaging and unifying healthcare providers in bullying prevention/intervention efforts on a national level.

766617 *Older Adult Services/Helping Hands*

Gifts help subsidize transportation to medical appointments and treatment, and also companion services for financially disadvantaged patients in the communities we serve. The program helps seniors (most are over the age of 80) who are trying to maintain independence at home and can't afford these much-needed services.

766697 *Student Heart Check*

Every year high school students die from sudden cardiac arrest. These deaths can be due to abnormal heart structure or abnormal rhythms that can lead to cardiac arrest. To help young people detect their risk for sudden cardiac arrest, Beaumont holds free community screenings on an ongoing basis. Your gifts will save lives.

MEDICAL EDUCATION

766612 *Allergy Immunology Disease*

Gifts support unmet needs of the Allergy Immunology department, including educational needs of staff.

769811 *Emergency Medicine Education Endowment*

Gifts add to the endowment for the Emergency Medicine Education program. Earnings will be used to support the educational needs of the residents and fellows who train at Beaumont, working side-by-side with Beaumont physicians to become among the best in emergency medicine. A significant portion of the proceeds of the endowment will be used to support our house officers to pursue educational and scholarly opportunities during their training.

766614 *Infectious Disease Education*

Your gifts will support the educational needs of the Infectious Diseases Section and fund an annual lecture focusing on epidemiology and infection prevention topics.

769316 *Jay B. Hollander Urology Resident Excellence*

Gifts add to the endowment for the Jay B. Hollander Urology Resident Excellence Fund. Earnings support continuing education and other unmet needs of the Urology Residency Program. Many of the initiatives provided through this fund have no other source; charitable philanthropic dollars are vital.

767318 *Oakland University William Beaumont School of Medicine*

Your gifts will support medical student scholarships, allowing our medical school to be competitive on a national basis, ultimately attracting the best and brightest students. This fund supports our medical students throughout their education.

781113 *Medical Education Fund (formerly 0007)*

Supports maintaining leadership in advanced medical education for our physicians and residents BH, Farmington Hills.

781114 Medical Education Fund (formerly 456)

Supports maintaining leadership in advanced medical education for our physicians and residents at BH, Dearborn, BH, Taylor, BH, Trenton and BH, Wayne.

POST ACUTE CARE

766736 Hospice

The important services that Beaumont Hospice provides to patients and their families cannot be overstated. Offering comfort and peace during the final stages of an illness is truly a noble and worthy endeavor. Your gifts support the delivery of the highest quality end-of-life care for patients and bereavement support for families following the loss of their loved one, including individual counseling, telephone support calls, group support, and art therapy for children and teens prior to and following the death of a parent or sibling.

781013 Botsford Commons Fullness of Life Fund (formerly 0034)

Supports programs, training and tools to enhance resident care.

781014 Botsford Commons General Fund (formerly 0001)

Supports beautification of the campus' buildings, gardens and overall environment.

781106 Bridge to Hospice Program (formerly 114)

The Bridge to Hospice program is a palliative consultation program for patients that are hospice criteria appropriate, but wish to continue with their curative care. These patients have advanced illnesses and are being transitioned to hospice. The focus of the program has been to offer free, community based services staffed by home health aides that support the philosophy of maintaining the patients in the home.

781124 Oakwood Common (formerly 615)

This fund supports the mental, social spiritual and physical well-being of our residents and employee enrichment programs.

781129 Skilled Nursing Center, Dearborn (formerly 812)

These funds support enhancing the recovery of rehabilitation and skilled nursing patients and enriching the overall well-being of our residents.

AREAS OF GREATEST NEED

767323 Beaumont Health (system-wide)

Providing for the greatest needs identified by Beaumont Health Leadership.

781068 Beaumont Farmington Hills Hospital Capital Campaign Fund

New construction at Beaumont Hospital, Farmington Hills will total more than 210,000 square-feet and renovations will be made to more than 61,500 square-feet of existing space. Construction of the new East Pavilion and South Tower is expected to run through 2018. Once completed, older areas of the hospital will be renovated.

764703 Beaumont Hospital, Grosse Pointe - Site Specific Needs

These funds provide for many needs throughout Beaumont Hospital, Grosse Pointe.

766725 Beaumont Hospital, Royal Oak - Site Specific Needs

These funds provide for many needs throughout Beaumont Hospital, Royal Oak.

764202 Beaumont Hospital, Troy - Site Specific Needs

These funds provide for many needs throughout Beaumont Hospital, Troy.

788038 Beaumont Home Health Services - Specific Needs

These funds provide for many needs throughout Beaumont Home Health Services.

788013 *Beaumont Hospital, Farmington Hills - Site Specific Needs (formerly 0067)*

These funds provide for many needs throughout Beaumont Hospital, Farmington Hills.

788007 *Beaumont Hospital, Dearborn - Site Specific Needs (formerly 200)*

These funds provide for many needs throughout Beaumont Hospital, Dearborn.

788012 *Beaumont Hospital, Wayne - Site Specific Needs*

These funds provide for many needs throughout Beaumont Hospital, Wayne.

788009 *Beaumont Hospital, Taylor - Site Specific Needs*

These funds provide for many needs throughout Beaumont Hospital, Taylor.

788011 *Beaumont Hospital, Trenton - Site Specific Needs*

These funds provide for many needs throughout Beaumont Hospital, Trenton.

788038 *Home Care (formerly 813)*

Our patients receive help with emergency funds for the cost of medications, food, adaptive equipment, walkers, shower chairs, raised toilet seats, tube seats and much more.
