## EMPLOYEE SUPPORT

### **765001**      **Beaumont Health Employee Assistance**

Supported solely by gifts through the Spirit of Giving Campaign, this fund lends a helping hand to employees at a time of financial need resulting from a personal crisis or catastrophic event. The fund is available to both part-time and full-time employees in good standing. Inquiries and assistance are provided confidentially through each site's Human Resources office.

### **765002**      **Beaumont Health Employee Education**

Supports continuing education assistance to Beaumont Health employees. While our community donors have created numerous scholarship endowments, this annual fund is truly employees helping employees, enhancing recruitment and retention and creating career advancement opportunities.

### **781099**      **Bwell – Your Employee Wellness Program**

Bwell implements innovative employee wellness initiatives and programs throughout the year that creates conditions for employee well-being and a healthy culture at work

---

## COVID-19 FUNDS

### **765008**      **COVID-19 Employee Support Fund**

Helps our essential workers with housing, transportation and onsite meals during shifts.

**763551 COVID-19 Research Fund**

Beaumont Research Institute is involved in several leading-edge studies to diagnose and treat COVID-19 in an effort to ease the impact of the disease. The studies include the nation's largest COVID-19 serological testing project to better understand immunity and support a new treatment

**765007 COVID-19 Support Fund**

Donations to the COVID-19 Response Fund will be used to meet our most urgent COVID-19-related needs, whether it's securing ventilators or purchasing the personal protective equipment that keeps our clinicians safe.

---

## **CLINICAL PROGRAMS AND SERVICES**

**765020 Beaumont Health Endocrine Center - Diabetes, Obesity, Research**

Supports patient care in the areas of diabetes and obesity. In addition, it supports research and education of clinical staff in these and related areas.

**765021 Beaumont Health Endocrine Center - Osteoporosis, Thyroid/Hormonal Disorders**

Supports medical issues related to the endocrine system, such as osteoporosis; overactive and underactive thyroid diseases; and hormonal disorders like adrenal insufficiency and Cushing's disease. A gift to this fund also supports research and education for clinical staff regarding these diverse conditions.

**766627 Children's Miracle Network (CMN) & Beaumont Children's**

Children's Miracle Network (CMN) provides funds for pediatric programs throughout Beaumont Health as part of Beaumont Children's. One-hundred percent of your contribution stays at Beaumont to fund leading-edge technology, life-saving pediatric programs, and special services for our youngest patients. Twice each year, a committee of Beaumont Children's leaders review grant requests from across the system and award funding based on need and available funds.

**781052 Breast Care Center - Wayne**

The Breast Center, Wayne is expanding to create a "comprehensive breast care center" at the Wayne hospital building accommodating screening, diagnostic services and surgical consultations under one roof. The new center will be nearly double in size and reduce wait times for appointments and offer more free screening and community services.

**764200 Cancer Program, Troy**

Supports those who have been diagnosed with cancer individualized care focusing on exercise, nutrition and support groups through Beaumont Hospital, Troy's Cancer Survivorship Program. This fund also supports the general oncology needs at Beaumont, Troy.

**781093 Center for Exceptional Families - Dearborn**

The Center for Exceptional Families was created to meet the distinct medical and therapeutic needs of children with special needs or life-threatening injuries, as well as to provide educational, recreational and social support. Using a family-centered approach, the CEF works with moms, dads, siblings, teachers and others who play a key role in a child's life to ensure that they have the resources they need to help the children reach their potential. Unique in scope and approach to care, the CEF is one of only a few places in the country where children and families have access to the best in class programs, educational, social and recreational support, a multidisciplinary medical team and comprehensive, compassionate care – all under one roof.

**768312 Center for Human Development**

Supports providing special services such as tutoring for dyslexic children and other learning disabilities, help defray the cost of evaluations, purchase educational supplies, and provide patient resources for children with development disorders such as autism, emotional problems and learning disorders.

**781082            *Children's Outreach Programs – Dearborn, Wayne, Trenton***

Supports the unmet needs of children/pediatric programs at Beaumont Hospitals in Dearborn, Wayne and Trenton. Children's outreach programs include back-to-school programs for backpacks and school supplies at some of our clinics.

**766304            *Children's Speech Treatment Scholarships***

Supports treatment costs for children whose families are unable to afford outpatient speech pathology services.

**781041            *Family Birth Center Expansion, Trenton***

Supports the expansion of the Family Birth Center at Beaumont, Trenton. The updated facility will better accommodate the needs of women by offering exceptional clinical quality and service.

**781070            *Heart (Cardiology) - Dearborn, Trenton and Wayne***

Supports Heart and Vascular programs and services offered at Beaumont Hospitals in Dearborn, Trenton and Wayne. It includes education opportunities for nurses, physicians and clinical staff, and cardiac rehabilitation programs for faster healing and recovery.

**764704            *Heart (Cardiology) - Grosse Pointe***

Supports the unmet needs of the Cardiology Program, Grosse Pointe, such as patient and staff education programs, equipment needs and research to advance cardiac care and services.

**766677            *Heart (Cardiology) - Royal Oak***

Supports the unmet needs of the Heart and Vascular Center of Excellence, such as patient and staff education programs, equipment needs and research to advance cardiac care and services.

**764206            *Heart (Cardiology) - Troy***

Supports the unmet needs of the Cardiology Program, Troy, such as patient and staff education programs, equipment needs and research to advance cardiac care and services.

**788023            *Heart & Vascular Fund - Farmington Hills***

Supports innovations, treatments and technologies needed for heart patients at Beaumont, Farmington Hills.

**764215            *Neonatal Intensive Care Unit - Dearborn***

Support the unmet needs of the Beaumont Hospital, Dearborn NICU.

**764215            *Neonatal Intensive Care Unit - Troy***

Supports the expansion of the Neonatal Intensive Care Unit (NICU) at Beaumont Hospital, Troy. Additional funding may be used for the unmet needs of the Beaumont Hospital, Troy NICU.

**766151            *Neuroscience Center of Excellence, Royal Oak***

Gifts support the unmet needs of the Neuroscience Center of Excellence, such as patient and staff education programs and equipment to advance neuroscience care and services. Funds may also be used for Beaumont's stroke program, which includes leading-edge medical treatment, outstanding stroke rehabilitation services and stroke-prevention education programs for patients.

**766601            *Oncology Services Program, Royal Oak***

Supports our outstanding team of physicians, oncologists and scientists, developing leading-edge treatment therapies and conducting vital clinical trials of the National Cancer Institute. Funds also support patient care such as the Cancer Survivorship Program, support groups, education activities and other patient needs.

**768317            *Orthopaedic Department, Royal Oak***

Supports research, education, and new technology as well as unmet needs of the Orthopedic department.

**766649            *Pathology/Laboratory Department Education, Royal Oak***

Supports educational needs of the pathology and laboratory medicine department.

**766509            *Pediatric Rehabilitation Scholarship, Royal Oak***

Supports individual or group therapy costs for selected outpatient pediatric rehab (OT/PT) patients whose families are unable to afford needed services.

**781138            *Physical Medicine & Rehabilitation, Taylor***

Supports the growth of a specialized inpatient rehabilitation facility and outpatient services, new and expanded programs and services for patients with traumatic brain injuries, orthopedic conditions and musculoskeletal disorders and those recovering from stroke and injury, cutting edge equipment, specialized training for medical residents, nurses, clinicians, and therapists, and community education, outreach and wellness/fitness programs.

**766720            *Women's Health – Natural Childbirth and Breastfeeding Support***

Supports natural childbirth and breastfeeding help to new mothers at your site. Women who have come to trust Beaumont for outstanding obstetrical, neonatal and pediatric care can now give birth naturally in a safe, welcoming and supportive environment surrounded by excellent physicians and specially-trained caregivers.

**781161            *Women's Program - Dearborn, Trenton, Wayne***

Supports expansion of Women's programs and services offered at Beaumont Hospitals in Dearborn, Trenton and Wayne. It includes enhancements to our comprehensive regional breast care program with cutting-edge equipment, facilities and technology and personalized service through Nurse Navigation to support women on the journey from diagnosis through treatment to recovery.

---

## **PATIENT SUPPORT**

**766607            *Adult Outpatient Speech Pathology, Royal Oak***

Provides treatment scholarships for patients to continue speech and language rehabilitation.

**766723            *Animal Assisted Therapy***

Supports the Animal-Assisted Therapy program at Beaumont Children's administered by the hospital's certified child life specialists. The program helps hundreds of young patients each year cope with the stress and anxiety of hospitalization through interactions with furry, four-legged volunteers. The therapy is a goal-directed intervention designed to improve human physical, social, emotional, and/or cognitive functioning.

**781106            *Bridge to Hospice Program /Pediatric Hospice***

Supports our palliative consultation program for patients that are hospice criteria appropriate but wish to continue with their curative care. These patients have advanced illnesses and are being transitioned to hospice. The focus of the program has been to offer free, community-based services staffed by home health aides that support the philosophy of maintaining the patients in the home.

**781066            *Cancer Center Patient Care - Farmington Hills***

Assists with health-related expenses not covered by insurance or other programs at Beaumont, Farmington Hills.

**781067**            **Cancer Programs - Dearborn**

Assists with health-related expenses not covered by insurance or other programs at Beaumont, Dearborn.

**764705**            **Chapel Fund – Grosse Pointe**

Gifts have helped refresh the 2<sup>nd</sup> floor Hospice rooms for a nicer patient environment and continue to support the unmet needs of the pastoral care program.

**766635**            **Chapel Fund – Royal Oak**

Supports the unmet needs of the spiritual care program at Beaumont, Royal Oak.

**766613**            **Geriatric Programs, Royal Oak**

Supports the unmet needs of the Geriatrics program, such as patient and staff continuing education programs, equipment needs and activities to advance geriatric care and services.

**766704**            **Imaging Services, Royal Oak**

Gifts support the unmet needs of the Imaging program, including continuing educational initiatives for department employees. Many of these initiatives have no other source of funding – charitable gifts are vital.

**766660**            **Integrative Medicine, Royal Oak**

Provides general program support and financial assistance for many vital services not covered by insurance, including clinical massage therapy, energy balancing with Reiki, guided imagery, medical acupuncture, scar therapy, gentle yoga, meditation, and naturopathy for management and stress relief. Cancer patients have described the services as “a little piece of paradise during an unpleasant time.”

**764207**            **Moceri Learning Center Fund - Troy**

Supports equipment, supplies, education and any other needs of this heavily used learning center.

**766714**            **Patient Legal Support**

Patient Legal Support is a free, legal assistance program designed to improve the health and welfare of Beaumont patients and their families. The program addresses a variety of legal issues that affect the health and well-being of our patients.

**766505**            **Patient Resource Fund (System-wide)**

Gifts are targeted to assist qualified patients in obtaining healthcare needs such as filling prescriptions for medications to aid recovery after an inpatient hospitalization or a medical condition or surgery. Funds are available to cover other needs such as durable medical equipment, home health care services, IV antibiotics to be administered in a home setting, transportation, medical supplies and other types of care that the patient may not be able to access on their own.

**767301**            **Petrovich SRNA Scholarships/Education Fund**

Supports scholarship awards and educational initiatives supporting annual scholarships for qualified candidates.

**766604**            **Speech and Language Pathology, Royal Oak**

Provides scholarship aid to people who otherwise could not afford to continue speech and language treatment. The fund also supports staff education, equipment and other needs of the department.

**781152**            **Spiritual Support Services – Dearborn, Taylor, Trenton, Wayne**

Supports services for the emotional and spiritual needs of our patients, families and staff at Beaumont Hospitals in Dearborn, Taylor, Trenton and Wayne, aligned with their personal faith experience. It also provides support for communication education and outreach concerning grief, loss and end-of-life decisions.

**766745      *Therapeutic Music Program (System-wide)***

Supports therapeutic music programs at all eight hospitals for patients, families and employees.

---

## **NURSING EDUCATION/NURSE GIVING**

**781118      *Nurse Giving Society/Nursing Education (System-wide)***

Supports the traditions and causes important to nursing professionals. Contributions are designated for continuing education/nursing scholarships for our valued care-givers system-wide.

**781162      *Nurse Giving Society Fund - Dearborn***

The Nurse Giving Society supports the traditions and causes important to nursing professionals. Funds are designated for continuing education/nursing scholarship disbursed by Dearborn nursing leadership.

Supports the traditions and causes important to nursing professionals. Funds are designated for continuing education/nursing scholarship disbursed by Farmington Hills nursing leadership.

**788034      *Nurse Giving Society/Nursing Education - Grosse Pointe***

The Nurse Giving Society supports the traditions and causes important to nursing professionals. Funds are designated for continuing education/nursing scholarship disbursed by Grosse Pointe nursing leadership.

**767314      *Nurse Giving Society/Nursing Education - Royal Oak***

The Nurse Giving Society supports the traditions and causes important to nursing professionals. Funds are designated for continuing education/nursing scholarship disbursed by Royal Oak nursing leadership.

**781163      *Nurse Giving Society Fund - Taylor***

The Nurse Giving Society supports the traditions and causes important to nursing professionals. Funds are designated for continuing education/nursing scholarship disbursed by Taylor nursing leadership.

**781164      *Nurse Giving Society Fund - Trenton***

The Nurse Giving Society supports the traditions and causes important to nursing professionals. Funds are designated for continuing education/nursing scholarship disbursed by Trenton nursing leadership.

**764400      *Nurse Giving Society/Nursing Education - Troy***

The Nurse Giving Society supports the traditions and causes important to nursing professionals. Funds are designated for continuing education/nursing scholarship disbursed by Troy nursing leadership.

**781165      *Nurse Giving Society Fund - Wayne***

The Nurse Giving Society supports the traditions and causes important to nursing professionals. Funds are designated for continuing education/nursing scholarship disbursed by Wayne nursing leadership.

---

## **HEALTHY COMMUNITIES**

**781154      *Adolescent/Teen Health Centers***

Supports Teen Centers located in Taylor, Inkster, Romulus and River Rouge focusing on health promotion and risk reduction, along with general medical care, counseling services, immunizations, and management of chronic illnesses. Also provided are peer education, after-school and summer programs and counseling and testing.

**766646.LT**      **Beaumont “Takes a Stand” Against Domestic Violence in memory of Laura Tanner**

The fund has been established in memory of Laura Tanner who worked at Beaumont Hospital, Taylor, and will provide emergency assistance to survivors of domestic violence to help get them started on their journey to wellness.

**781088**      **Community Benefit Programs /Healthy Communities**

Supports community outreach initiatives that align with the annual community health needs assessment. These vital programs and services benefit patients, employees and community members throughout our entire service area. Programs include healthy communities, heart health screenings, diabetes education and obesity prevention. The fund also supports other community benefit programs including needy patient programs.

**766721**      **Ingber Africa/International Trip**

Your gifts help to change and improve the lives of people in Africa or other impoverished destinations. Each year, Drs. Peters and Sirls and their team have taken life-changing medical treatment to the men, women and children of Africa, while facilitating an invaluable learning experience for Beaumont urology residents.

**766709**      **NoBLE Anti-bullying Program**

Supports NoBLE (No Bullying Live Empowered) which provides community outreach programs and support to children, families and schools concerning bullying-related incidences. NoBLE also focuses on engaging and unifying healthcare providers in bullying prevention/intervention efforts on a national level.

**766617**      **Older Adult Services/Helping Hands**

Supports subsidized transportation to medical appointments and treatment, and companion services for financially disadvantaged patients in the communities we serve. The program helps seniors (most are over the age of 80) who are trying to maintain independence at home and can't afford these much-needed services.

**766697**      **Student Heart Check**

Every year high school students die from sudden cardiac arrest. These deaths can be due to abnormal heart structure or abnormal rhythms that can lead to cardiac arrest. Beaumont holds free community screenings on an ongoing basis that help young people detect their risk for sudden cardiac arrest. Your gifts will save lives.

---

## **MEDICAL EDUCATION**

**766153**      **Marcia & Eugene Applebaum Simulation Learning Center**

Supports the unmet needs of the Surgical Learning Center.

**766653**      **David A. Brinton OB/GYN Medical Education Fund, Royal Oak**

Supports the unmet educational needs of residents, fellows, and physicians in obstetrics, gynecology, and infertility.

**769811**      **Emergency Medicine Education Endowment**

Gifts add to the endowment for the Emergency Medicine Education program. Earnings will be used to support the educational needs of the residents and fellows who train at Beaumont, working side-by-side with Beaumont physicians to become among the best in emergency medicine. A significant portion of the proceeds of the endowment support our house officers to pursue educational and scholarly opportunities during their training.

**766614**      **Infectious Disease Education, Royal Oak**

Supports the educational needs of the Infectious Diseases Section and funds an annual lecture focusing on epidemiology and infection prevention topics.

**769434 I.K. Yoon, M.D. Physiatry Education Endowment - Taylor**

Supports Dr. Yoon's endowment for physical medicine and rehabilitation staff education, including: Annual professional conferences and education lecture series for staff, certified rehab nurse specialist training and testing and online education memberships at Beaumont, Taylor.

**769316 Jay B. Hollander Urology Resident Excellence**

Supports the endowment for the Jay B. Hollander Urology Resident Excellence Fund. Earnings support continuing education and other unmet needs of the Urology Residency Program. Many of the initiatives provided through this fund have no other source; charitable philanthropic dollars are vital.

**781114 Medical Education General Fund – Dearborn, Taylor, Trenton, Wayne**

Supports maintaining leadership in advanced medical education for our physicians and residents.

**781113 Medical Education Fund - Farmington Hills**

Supports maintaining leadership in advanced medical education for our physicians and residents.

**767318 Oakland University William Beaumont School of Medicine Scholarships**

Supports medical student scholarships to make our medical school competitive nationally and attract the best and brightest students. The fund supports our medical students throughout their education.

---

## **AREAS OF GREATEST NEED**

**767323 Beaumont Health (system-wide)**

Supports meeting the greatest needs of our health system as identified by Beaumont Health Leadership.

**788007 Beaumont Hospital, Dearborn - Site Specific Needs**

**788013 Beaumont Hospital, Farmington Hills - Site Specific Needs**

**764703 Beaumont Hospital, Grosse Pointe - Site Specific Needs**

**766725 Beaumont Hospital, Royal Oak - Site Specific Needs**

**788009 Beaumont Hospital, Taylor - Site Specific Needs**

**788011 Beaumont Hospital, Trenton - Site Specific Needs**

**764202 Beaumont Hospital, Troy - Site Specific Needs**

**788012 Beaumont Hospital, Wayne - Site Specific Needs**
