PeopleSoft HCM

Login to PeopleSoft

The image shows a login page for Beaumont PeopleSoft. The page has a dark blue background. At the top, there is a white box containing the text "Beaumont" in a large blue font and "PEOPLESOFT" in a smaller black font below it. Below this, the text "hr92pd" is displayed in yellow, followed by a yellow question mark icon. A message in white text states: "Your User ID is the ID used to log into Outlook email and Computer workstations". There are two white input fields: the first is labeled "User ID (Use LAN/Network/System Login ID)" and the second is labeled "Password (Use LAN/Network/System Login PWD)". Below the password field is a green "Sign In" button with a yellow border. Underneath the button is the text "Set Trace Flags". At the bottom of the page, there is a small white text line: "Copyright © 2000, 2018, Oracle and/or its affiliates. All rights reserved."
