

Key Websites	
Medical Library	https://beaumont.libguides.com/dearborn
Mobile Resources	http://beaumont.libguides.com/mobile
Nursing Resources	https://beaumont.libguides.com/nursesguide
Remote Access	http://beaumont.libguides.com/dearborn/remote
Resources	
Online Books & Journals	Search the Library Catalog for books, or the Beaumont Dearborn E-journals for journals.
CINAHL Plus with Full Text	The world's most comprehensive nursing & allied health research database.
Lippincott Advisor	A collection of evidence-based content that provides practicing nurses with instant access to online references at the point of care.
Lippincott Procedures	Provides detailed descriptions of procedures, allowing users to locate specific procedures quickly and easily.
PubMed	An online database from the National Library of Medicine that provides access to millions of citations in the Medline database.
UpToDate	An evidence-based clinical decision support resource designed to be used at point-of-care.
Services	
Literature Searches	Mediated literature searches, by librarians, are available for Beaumont-related search topics. Most searches are completed within 24 hours.
Document Delivery	Request journal articles to be delivered via email or interoffice mail.
Interlibrary Loan	Articles and books not available in our libraries can be borrowed from other institutions.
Exam Proctoring	We can proctor exams for your college classes.
