Resources for Nursing Experiences

Nurses are employed at Beaumont in a variety of roles. If you are interested in your students obtaining some alternative experiences in non-clinical environments please contact the RN listed under the specialty area below to arrange an experience. Please e-mail or call **at least three weeks** prior to the desired time.

***NOTE:** For Critical Care Units* Maternal Child Health* (Peds, PICU & NICU) and Surgical Services* you must **complete the request form** which is located on the Royal Oak page of the Nursing Student Website. *You must also be currently on a peds rotation.*
